TRABO Folding Table Frames

TRABO Folding Tables

TRABO Folding Tables are strong yet stylish and affordable. The self-locking folding mechanism is quick and simple to operate. Also integrated into the design are stacking buffers to prevent storage damage caused by one table on another.

TRABO Folding Table - Curved Base Legs

Frames are available with a choice of leg design - curved or straight base. Both designs come in either a silver, white, black or chrome finish and have integral foot adjusters built in.
